

INTRINSIC

Intrinsic Devices, Inc.

December 2, 2003

Directions to:

Intrinsic Devices
2353 Third St.
San Francisco, CA 94107
Tel: 415 252-5902

From the San Francisco peninsula, including SFO

We are about 15 minutes north of the San Francisco International Airport, SFO.
Take the 101 freeway northbound.
Exit on 280 freeway northbound / downtown.
Take next exit, Ceasar Chavez (Army)
Turn right (east) on Ceasar Chavez
(If you miss the 280 exit from 101, take the Ceasar Chavez exit from 101 and get on Ceasar Chavez eastbound.)
Turn left (north) on Third St. (a six lane road).
Go 5 1/2 blocks north on Third St.
We are in the middle of the block between 22nd and 20th streets in a brick & concrete building that covers an entire block.
Look for the 2353 number just above the door.
The garage just south of the door is ours. If there is room in front of it, park there.
Otherwise, call us on your cell phone or ring the doorbell so we can direct you to our parking spaces behind the building (nominally 978 Illinois Street).

From the East Bay coming across the Bay Bridge

Take highway 80 westbound across the bridge, then follow signs for 101 freeway southbound.
Take Ceasar Chavez (Army) Street eastbound exit.
Proceed east on Ceasar Chavez.
Turn left (north) on Third St. (a six lane road).
Go 5 1/2 blocks north on Third St.
We are in the middle of the block between 22nd and 20th streets in a brick & concrete building that covers an entire block.
Look for the 2353 number just above the door.
The garage just south of the door is ours. If there is room in front of it, park there.
Otherwise, call us on your cell phone or ring the doorbell so we can direct you to our parking spaces behind the building (nominally 978 Illinois Street).
